Season’s Greetings!

Please join us to kick off the holiday season with our Annual Tree Lighting Ceremony on December 7th; the festivities are scheduled to begin at 4 pm. We hope to see you there!

I want to thank all of our members for their generosity and support of our Annual Toy Drive benefiting the children of Manatee Elementary School. Your kindness is truly appreciated by the many children, because without your help, their families would most likely do without.

We will be delivering the toys on the afternoon of December 13th, so please be sure to drop off your unwrapped gifts under the holiday tree at the Fitness Center at your earliest convenience. Also, if you would like to be a volunteer to help deliver the gifts at the school, please contact Aga Edwards in the membership office.

The Club & Spa will be hosting the Chanukah Dinner on December 14th, another Fiddler’s Creek favorite where our special candle lighting ceremony will be accompanied by an exquisite dinner. Following close by is our traditional Christmas Eve Dinner and Christmas Day Brunch, both sure to leave you feeling satisfied and complete. Remember to check your calendar for all of the kid’s activities beginning on the 22nd of December. We will be sure to keep your youngest visitors busy during the holiday week.

We will be ringing in 2013 with our Annual New Year’s Eve Celebration that is sure to knock your socks off!

As always, I wish you and your loved ones happiness, peace and prosperity in the New Year.

Sincerely,

Ron Albeit
General Manager

Annual Toy Drive

Spread holiday cheer by helping the children of the Manatee Elementary School! While you’re out shopping and having fun, please remember to pick up a gift. During the past several years, hundreds of gifts have been donated by Fiddler’s Creek residents. Gifts should be tagged with the gender and age range of the intended recipient and should not be wrapped; gift bags are best.

Please bring your gift to The Club & Spa Sports Reception Desk no later than Thursday, December 13th at 3 pm, which is when the presents will be delivered to Manatee Elementary.

Volunteers who would like to help deliver the gifts should contact Aga Edwards at (239) 530-2811. On behalf of Manatee Elementary School kids - Thank you for making a difference!

“GREEN” Holiday Tips

Give the Gift of Green

This holiday season consider giving a green gift to friends, family and co-workers that will last the whole year through!

Services, or non-material gifts

One of the best ways to reduce our impact during the gift-giving holidays is to give a non-material gift. There are many services that do double duty by making a great gift and helping the environment too. Consider a gift card for car washes; a professional car wash uses far less water than a home car wash. Gift cards or even a season’s pass to Netflix or iTunes will allow your movie or music lover enjoy a diversity of options rather than owning a few select dvds and cds.

Other festive tips to save some green:

Shop online - Sometimes online retailers will have better pricing than bricks and mortar stores. Plus you’ll save on gas, time and less stress! Items purchased online are often shipped straight from the factory to you, so it can also cut down on the overall freight impact.

Lighting - If you’re opting to decorate your home’s exterior, but want to save money on the energy bills, check out the wide array of LED lights (light-emitting diodes). They use only a tiny fraction of the energy that conventional string and decorative lights use, plus they last much longer! Save even more money by putting your lights on a timer. This way the lights can turn on just as you’re coming home at night and won’t be forgotten at bedtime when you’re too tired to remember to turn them off.
Q: Why did you choose Naples/Fiddler’s Creek?
A: Our parents had spent the winters in Bradenton and Clearwater. After spending many vacations with them, we decided we wanted to be further south and enjoy the warmer weather all winter long. Like many others, we started renting for two weeks in the Park Shore area of Naples and gradually increased our stays to two months. Each year we would attend open houses, but nothing clicked until we saw Fiddler’s Creek. When Laraine said, “I could live here,” I knew it was time to buy.

Q: In which Fiddler’s Creek village do you live?
A: Laraine and I bought pre-construction in Laguna in April 2004 and closed in March 2006. We learned that “pre-construction” meant piles of sand and a body of water. We enjoyed watching the progress on our unit even though it was interrupted by Hurricane Wilma.

Q: Which Club activities are you involved in?
A: Both of us love living in a community and consider The Club & Spa as the center of our social life. After a bike ride to the Club in the morning and a swim or workout in the gym, we enjoy having coffee and visiting good friends we have made at Fiddler’s Creek.

Q: Which Club & Spa event(s) is your favorite and why?
A: We attend most of the parties, as well as many of the entertainment functions and exercise classes. We also enjoy relaxing by the pool in the afternoons. We love that we have a terrific planning staff to keep us busy. Our favorite has to be dinner at Caxambas where the Chefs and servers provide the best meal and dining experience in Naples.

Q: Are you a native Floridian? If not, where are you from?
A: We were both born in Ohio and spent our working and child rearing years in Lima, Ohio. I retired in 2006 from the insurance and financial services business. Laraine was an elementary teacher.

Q: How much time do you spend at Fiddler’s Creek?
A: My wife and I are now Florida residents and spend 7-8 months in Fiddler’s Creek. We consider it our home.

Q: If seasonal, where else do you spend the year?
A: Growing up, both of our families owned cottages on Devil’s Lake, an inland lake in southern Michigan. We actually met at an outdoor skating rink near the lake when we were in the seventh grade. We bought our own cottage in 1973 and our family spent all our summers there until our children graduated from college. We now shuttle between Devil’s Lake and Fiddler’s Creek.

Q: What are your other hobbies, volunteer activities, etc?
A: We enjoy biking, boating and skiing, and spend a lot of time with our grandchildren at the lake. I spend most of the summer taking care of the 5-acre park behind the cottage.

Q: Where do you like to go outside of Fiddler’s Creek?
A: When not at Fiddler’s Creek or Devil’s Lake, we enjoy traveling. We still have a few places to see on our “bucket list,” like the Panama Canal and Australia.

Q: Please share any other information regarding your family, friends, professional life, etc. that you wish.
A: We have two sons and a daughter, all of which are married. Each couple has two children, so we have six grandchildren – one boy and five girls. Our children love Fiddler’s Creek and usually get here for a week each spring. We also have started a tradition of having Thanksgiving in Florida at Fiddler’s Creek every other year.

BACON AND APPLE STUFFED AGED BEEF TENDERLOIN
SERVES 6

INGREDIENTS:
6 Aged Colorado Beef Tenderloin Steaks (6oz each steak)

BACON AND APPLE STUFFING
4 slices smoked bacon (cut into ½ inch strips)
2 shallots (diced finely)
1 apple (diced into ¼ inch squares)
½ tsp cinnamon
½ tsp freshly ground nutmeg
3 oz Chevre goat cheese
ksher salt and pepper to taste

SMASHED BUTTERNUT SQUASH
1-2 butternut squash (peeled, seeded, and cut into medium sized chunks)
2 oz olive oil
1 tsp cinnamon
2 oz brown sugar
1 cup skim milk
3 oz butter
ksher salt and pepper to taste

PREPARATION INSTRUCTIONS:

STUFFING:
Place diced bacon into a sauté pan on medium heat. Allow the bacon to “sweat” until it just begins to crisp (about 6-8 minutes). Next, add the diced shallots and continue to cook on medium heat for 3 more minutes. Add the diced apples and cook for about 2-4 minutes more. Remove from heat and place into a mixing bowl and allow to cool to room temperature. Once cooled, add the cinnamon, nutmeg, goat cheese, salt and pepper.

STEAK:
Using a paring knife, make an incision into the side of each steak. Gently move the knife inside, from the left to the right, creating a small pocket. Place the stuffing into a plastic pastry bag and squeeze until the steak is filled. Next, lightly season the outside of the steak with vegetable oil and kosher salt. in a sauté pan on medium-high heat, sear each side of the steak for 2-3 minutes. Finish cooking in an oven at 400°F degrees 4-6 minutes for medium rare. Allow to rest for about 3-5 minutes before serving.

BUTTERNUT SQUASH:
Toss the peeled chunks of squash with the olive oil, salt, and pepper. Roast in the oven at 400°F degrees for approximately 25-35 minutes until you can easily press a fork through the squash. In a mixing bowl, place the hot roasted squash, and all remaining ingredients. Smash until it resembles chunky mashed potatoes. Hold warm until ready to serve.

Cardio Tennis: What is it and why should I give it a try?

Are you looking for a fun, motivating way to switch up your workout routine? Do you want to improve your fitness level in order to help your tennis game? If so, Cardio Tennis could be what you are looking for!

Cardio Tennis is a fun, high-energy fitness activity that combines tennis, music and aerobic activities into a full body, calorie-burning workout. It is a safe, healthy and fun way to get in shape. The workout is based upon each participant’s individual workout zone determined by his or her heart rate, which is monitored throughout the class. The primary focus of Cardio Tennis is to get a great workout while having fun.

The following is a list of commonly asked questions about Cardio Tennis.

What are the benefits?
- The music and movement on the court will increase calorie burning and will help you get in shape.
- Cardio Tennis is a great way to switch up your workout routine if your motivation for going to the gym is low.

What if I haven’t played tennis in a long time and am just looking for a new workout routine?
- Cardio Tennis is an awesome workout for ALL ability levels! Whether you haven’t picked up a racket in years or you are an avid player, you will still benefit from Cardio Tennis.

What kind of equipment is used?
- Heart rate monitors are used to elevate the fitness profile of the class.
- Transition balls are used to level the playing field, as well as to lengthen rallies, which will keep you moving and active for longer periods of time.
- Agility ladders are used to improve footwork on and off the court.

Is Cardio Tennis too difficult for my age and fitness level?
- No matter what your age or fitness level, modifications can be made to all of the activities in order to tailor the class to meet your individual needs.

Is there a lot of focus on the technique of each stroke as there is in a private lesson or group clinic?
- Cardio Tennis focuses more on the aerobic aspect of the game. There is not a lot of coaching on specific shots; instead the focus is on getting a good workout, increasing agility and having fun.

How can I get involved in the Cardio Tennis program at Fiddlers Creek?
- Natalie runs a Cardio Tennis clinic every Saturday from 8:30 am to 9:30 am. Come out and give it a try!

Do You Have an Inventory of Your Wallet’s Contents?

More of us are out and about during the holidays shopping and attending gatherings and festivities. What would you do if your wallet or purse is lost or stolen? If this occurs, time is of the essence. Creating an inventory of your wallet’s contents—especially checks, credit cards and ATM cards, along with their customer service numbers—will aid you in stopping others from using your financial information. If you do lose possession of your wallet by theft or loss, follow these steps to recover:

- If the loss or theft occurred outside of Fiddler’s Creek, file a report with the police immediately and keep a copy.
- If the loss or theft occurred inside Fiddler’s Creek, contact Fiddler’s Creek Safety at (239) 732-7726.
- Cancel your credit, debit and ATM cards immediately. Get new cards with new numbers.
- If your purse/wallet contained checks, contact your bank immediately.
- Call the fraud departments of the major credit reporting agencies and ask each to put a fraud alert on your accounts.
- Review your credit reports regularly.
- Report a missing driver’s license to the Division of Motor Vehicles.
- If your keys are missing, change the locks on your home and car.

Fiddler’s Creek Safety Department is available and responds to resident and member calls for assistance 24 hours a day, 365 days a year. Add the Safety departments phone number (239-732-7726) to your cell phone’s contact list so that you have it on hand. Carry your cell phone when you’re walking, cycling or driving your vehicle throughout Fiddler’s Creek. Fiddler’s Creek Safety Department is just a phone call away if you need assistance or observe any suspicious person or situation.

Welcome to our Community!

We would like to extend our sincere welcome to the new residents of Fiddler’s Creek.
